In just two year's time, the U.S. Small Business Administration's Patriot Express Pilot Loan Initiative has supported more than \$315 million in loans to more than 3,750 veterans and their spouses who are using the SBA-guaranteed funds to establish and expand their small businesses.

Patriot Express, launched June 28, 2007, builds on the more than \$1 billion in loans SBA guarantees annually for veteran-owned businesses, and the counseling assistance and procurement support it provides each year to more than 200,000 veterans, service-disabled veterans and Reserve members. Details on the initiative can be found at www.sba.gov/patriotexpress.

The SBA and its Office of Veterans Business Development (OVBD) provides comprehensive assistance, outreach and support to veterans. Each year the SBA assists more than 200,000 veterans, service-disabled veterans and reservists. Go to www.sba.gov/vets.
